

THE BASKERVILLE FOUNDATION

Hyundai Excel Raffle

A Hyundai Excel, which is ready to hit the track for racing, has been put up for raffle by the Hobart Sporting Car Club (HSCC) to support the renovation works planned by the Baskerville Foundation.

Valued at approximately \$7,000, the HSCC has kindly covered all costs associated with purchasing the car and getting it track-ready so that all funds raised will go directly to the Baskerville Foundation.

The lucky winner will have the opportunity to race the car at the Hyundai Race Series. This series has gained strong support in Tasmania because of its accessibility and affordability.

This is a great opportunity for racing fans to get in on a piece of the action and to buy a raffle ticket.

The car will be touring the State and attending various events including the Longford Race Car Show, Symmons Plains Round 3, Baskerville Round 4, Symmons Plains Round 5 and at the Historics in October.

Tickets will be available to purchase at these events and are set to sell quickly as sales have been limited to 2500.

If you cannot attend these events, but would like to purchase tickets, please email hobartsportingcc@gmail.com.

Raffle tickets are priced at \$10 each and the raffle will be drawn at the Baskerville Historics meet in October 2014.

The HSCC and the Baskerville Foundation would like to thank the following sponsors that assisted in the construction of the car:

- Wells Bodyworks
- Don Towing
- LID Design Studio
- Tas Mobile Mechanics
- Kingston Locksmiths
- Fairbrother Construction
- Stateline Freight Services
- Tas Performance Warehouse

Baskerville Foundation passes the \$150,000 mark

Following the success of recent fundraising events including the V8 Supercar fundraising night, the HSCC 60th anniversary and the sale of Hyundai raffle tickets, the Baskerville Foundation has now raised over \$150,000 to go towards the works at Baskerville Raceway.

Longford Motor Racing Car Show

In excess of 50 cars will be on show at the Longford Motor Racing Car Show, to be held at the Old Dunlop Tyre Factory in Longford from the 12-13 April.

Running over two days, the show will feature some of Tasmania's finest racing memorabilia and contain some fine examples of sports racing cars, Tasmanian built specials, competitive cars, open-wheelers and even replicas of early Tasmanian racing cars.

Entry is \$10 for adults and \$5 for under 14s with all proceeds going straight to the Baskerville Foundation.

This is a great opportunity to support the Baskerville Foundation, while also getting the chance to see one of the most comprehensive collections of race cars in Tasmania.

HSCC 60th anniversary

As part of the Hobart Sporting Car Club's (HSCC) 60th anniversary weekend on 4-6 April 2014, a fundraising event was held for the Baskerville Foundation.

The anniversary weekend raised over \$10,000 in total.

In honour of the event, well-known motorsport artist David Hopkins created a one-of-a-kind, water-colour painting to celebrate the HSCC anniversary and the Baskerville Raceway.

This was auctioned in aid of the foundation and sold for a staggering \$3730.

A limited amount of A3-sized, signed prints of the painting will be available for purchase at the Historics weekend in October for \$49. Email hobartsportingcc@gmail.com if you would like to pre-order.

These prints are a fantastic piece of Baskerville memorabilia and would make a treasured addition to any motoring enthusiast's shed.

A call for history

We would love the history section of www.baskervillefoundation.com.au to be a bit more comprehensive. To do this, we are asking for contributions of images of Baskerville over the years, accompanied with a paragraph explaining the image.

Send your content through to hobartsportingcc@gmail.com

Donations of memorabilia

A call has been put out for donations of memorabilia to be auctioned in aid of the Baskerville Foundation at the Historics weekend in October. For further information please contact Peter Killick.

Track signage at Baskerville Raceway

As part of the Baskerville Foundation sponsorship deals, packages are available for track signage at the Baskerville Raceway. Forms are available on the website.
